Access for All provides Internet access via a mobile hotspot called a Kajeet. These hotspots allows Springfield Public School students access to educational resources anywhere, anytime.

Who can apply for Access for All?

Springfield Public School students attending an IGNiTE school who do not have Internet access at home may apply for the Kajeet hotspots.

Applications for Kajeet hotspots may be picked up and returned to the library. Applications require a parent or guardian signature for non-independent students.

What is the approval process for Access for All?

Applicants must demonstrate need and agree that they do not currently have Internet access at home. Hot spots are available on a first-come, first-serve basis.
