

# COLLEGE & CAREER READY!

## Quarter 2

### A note from your specialist:

**Hello Bulldogs,**

Through Naviance and beyond, SPS students have several great opportunities to support college and career readiness. The Choice Programs application window is **OPEN**, so apply now if interested in FlySPS or the Alliance for Healthcare Education. Keep using Naviance test prep resources to prepare for upcoming ACT tests, and, as always, let me know how I can help support your college and career readiness!

Your CCR Specialist,  
Mrs. Sarah Keeth

### 2nd Q Lessons:

- 6th **Building up self-confidence**
- 7th **Teamwork & Goal Setting**
- 9th **Determining Foundational Traits**
- 10th **Preparing for junior year**

### Sneak Peek:

<b>RoadTrip Nation</b>	Students are matched with and then go on a virtual road trip with an industry leader to learn about their passions and paths.
<b>My Foundation</b>	Students consider their current passions and discover how they can point toward meaningful career choices.
<b>Academic SMART Goal</b>	7th grade Scholars students create an academic-related SMART goal.
<b>Skills Assessment</b>	10th graders use a Likert scale reaction to prompts which suggests students' top skills and potential career matches
<b>Scholarship Search</b>	12th grade students can access national and college-specific scholarships with the Naviance scholarship search tool.

### ACT Test Prep:

Use the Naviance ACT Test Prep resources to learn more about test-taking tips, interpreting test results, subject area strategies, and preparing for ACT test day. ALL high school students have access to Naviance Test prep through the Virtual Library -- Online Locker -- Naviance button

Remember: The Naviance ACT practice tests are practice and do not conclusively predict your real composite score. Use the feedback to identify which tests and topics need further attention and practice.
