

## TEAM DISNEY Update ~

Mission: Our mission is to educate for life, so every child acquires the knowledge and skills to succeed in school and beyond.

January 30, 2020  
TEAM DISNEY:

**DISNEY NIGHT AT THE Q is tomorrow!!** Come have fun with TEAM DISNEY as we cheer on the Lady Bears tomorrow, January 31, at 7:00 p.m. Special rates and deals are exclusive for Disney, and **can only be purchased at Disney!** Tickets may be purchased in the Disney office by noon on January 31.

Just a reminder that the Disney office has temporarily been relocated in the Disney library during our secured entrance remodel. Visitors should enter through door #2 and follow the signs to the temporary office. As with our permanent office, if your child is arriving after 9:05, **you must walk in with them to sign them in for class.** Please do **NOT** just send them in alone! Also, when inclement weather is forecasted, **please plan ahead and leave early** in order to arrive to school safely, and on time. Thanks for your cooperation.

Brrr – Be sure to dress in layers during cold weather! And, please remember when planning vacations, each “snow day” adds a day to the end of the school calendar (up to six days).

**Important SOS!** PTA officers and committee chairs are needed! If you are willing to serve, please contact Amy Spence (PTA President) or the Disney office for more information. You can do it!!!! ☺

We still have spots available in the District’s Club Encore after school program offered at Disney. Contact the Disney office or your child’s teacher, if interested.

It’s hard to think about summer already, but “Explore!” is just around the corner. Disney will **NOT** be a site this year. The designated site for Disney students is Wanda Gray, but students may also attend other sites. “Explore!” will have two all-day sessions – one in June, and one in July. Plus, several fun learning opportunities will be offered. Be looking for more information to come home very soon!

We respectfully request that students do not bring items to sell to staff and students from outside organizations at school. This can be a disruption to the learning day, and it is extremely difficult to be fair and equitable. Thank you for your understanding.

We invite our parents to take the survey about the Disney Library and the library services. The survey link can be found on the Disney website ([www.sps.org/Disney](http://www.sps.org/Disney)) until Friday, February 14.
