

## ~ TEAM DISNEY Update ~

*Disney's mission is to educate for life, so that every child acquires the knowledge and skills to succeed in school and beyond.*

April 25, 2019

### TEAM DISNEY:

THANK YOU for the awesome Penny Wars! It was a close battle to be the Penny Point Champion, with 1st grade edging out 4th grade and 2nd grade for the win. Total Dollar Champion was Kindergarten, followed by 5th grade and 1st grade. The overall winner was TEAM DISNEY with a total of \$1,220.49 earned to go toward technology related purchases at Disney!

Staff Appreciation Week is May 6-10. Why not take a moment to let the Disney staff know you appreciate them? They definitely appreciate your support! 😊

THANK YOU for your extra efforts to have children at school every day and on time during End-of-Year testing days! Please continue to make school attendance and being on time a priority! There is still daily teaching and learning occurring!

The "Dino-mite" Book Fair will be held May 6 – May 10. Family nights will be May 6 and May 9, from 4:00 p.m. to 8:00 p.m.

**On these nights, please enter the Book Fair from the northwest building entrance by the library (Door 2).** All students attending will receive a special "theme-related" prize. The teacher with the most parents in attendance representing their class (over both nights) will win \$100 in books for their classroom. Grandparents attending on the family nights will get to draw for a gift card (value between \$5 and \$25). In addition, for every book purchased, you will receive a raffle ticket for a drawing to be held at the end of the book fair. Volunteers are needed. If you would like to volunteer, please sign up following the link on the Disney website.

School will dismiss for the summer at 1:35 on May 21. Grade cards **will not** be issued prior to this time. Your child should bring a sack lunch from home on the last day of school, or your child may request a sack lunch from our kitchen, unless otherwise noted by your child's teacher. Student medications will be disposed of unless they are picked up by an adult by 1:35 p.m. on May 21. Please make sure all library fines are paid before school is

out on May 21. This is crucial to keep needed library resources available for our students, and to allow your child to check out further library materials. All library materials are due May 1.

It's not too late to enroll your child in Explore! It is a GREAT opportunity to help prevent lost learning over the summer months, and it does not cost to attend. Registration information is available in the Disney office and online at [www.sps.org](http://www.sps.org).

It is a goal of the Springfield Public Schools' strategic plan to provide each student with equitable access to engaging, relevant, and personalized learning experiences that positively impact academic achievement and personal growth. One way that goal is monitored is by receiving feedback from students and parents. If you have not already completed this survey, you may still do so through Friday, May 3, at

<https://surveys.panoramaed.com/springfieldmo/8291443754/surveys?language=en>.

Upcoming Dates:

**There will be lots of hands-on learning, such as field trips, from now until the end of the school year, so please watch for special event permission slips, appropriate dress code, lunch information, etc., which will be sent home.**
