

## Attention Parent/Guardians,

Please see the calendars attached. Dates highlighted in yellow are practice days. Dates highlighted in green are tournament days. Practice runs from 2:55 or right after school until 5:30. There will be no practice if we attend a tournament on the same day. In addition, if SPS is not in session i.e. holidays or inclement weather we will not have practice. Please note that tournament dates and times are tentative at this time. The last tournament will be virtual and Westport archers will be shooting at Westport. As we get closer to our first tournament at the end of January we will send home an exact date and time.

Please be sure you have signed and returned the three pieces of paperwork we sent home with students. Without parent's signatures students will not be able to shoot arrows.
