

2022 GRADUATES

Celebrate Your Senior in the Falcon Yearbook Two Ways

1 Senior Portraits

All Glendale seniors have portrait sessions taken by the school photographer. Only these portraits will be used in the yearbook. Parents may purchase prints from this session, but are not required to do so. The photographer provides drapes, suit and tie, as well as cap and gown portraits if desired.

Students will also submit their **senior quote** at the time their portraits take place. Please remember these quotes will serve as a permanent record of your senior's time at Glendale. The yearbook advisor and Glendale administration reserve the right to decline quotes due to inappropriate content. Something that may seem funny now, may not when your student is an adult and applying to college, for a job, or running for political office.
