

# Kickapoo High School On-Line Enrollment

Save time in the enrollment process by using the on-line enrollment on the Springfield Public Schools home page...

[www.springfieldpublicschoolsmo.org](http://www.springfieldpublicschoolsmo.org) .

Under the “**Families**” tab you will find **Online Enrollment**...click on it and follow the instructions. By enrolling online, you will be minimizing the amount of paperwork you have to fill out.

You will still need to schedule an appointment to come in and finish up any remaining paperwork and meet with your students counselor to schedule his/her classes.
