

Congratulations to our Phelps MOEMS Team for concluding our 2021-22 season on Tuesday, March 29, 2022 on Zoom. In a tie for first, Jett F. and Ridhima S. will receive our Highest Scorer Trophies. Second place goes to Sammy H., third place goes to Jude M, and Honorable Mention goes to Melany H. Other competitors include Henry S. and Owen T. Our team correctly scored 60 problems. Every mathlete on our team scored at least of problem correctly.

We wish to thank PAGE for sponsoring our online competition this year. Thanks to the families of this year's mathletes for supporting their children through these five contests and in MOEMS Math Club.

Five of our mathletes competed today 3/29 on Zoom. Four mathletes scored 2 of 5 problems correctly. One mathlete scored 1 of 5 correctly. Two mathletes were absent from competition. 5 of 5 correctly answered problem A, 2 of 5 correctly answered problem B, 2 of 5 correctly answered problem C, 0 of 5 correctly answered problem D, and 0 of 6 correctly answered problem E.

Due to copyright and the rules of this international contest, I am not at liberty to share these problems, but we did review these problems after the contest. You may discuss these problems with your child. If there are any other questions, please let me know.

To celebrate our Phelps MOEMS 2021-22 season, two tied for our Highest Score Trophy. Our team has scored 60 problems correctly. Every mathlete on our team has scored at least 1 of 25 problem correctly. Go Team!

For those with MOEMS Practice Books, please return them to Mr. Mills in the Phelps Library as soon as possible.

Thank you, mathletes, for competing on our Phelps MOEMS Team. Thank you for working so hard and for doing your best.

Appreciatively,
Gina Wyckoff
