VOLUNTEER AT PHELPS

Adults wishing to volunteer in the library, classroom, on Green Team, or on field trips, must fill out an application EACH YEAR at: www.sps.org

Go to Parents heading> Resources> Volunteer Program. Complete the Volunteer Application form online. It automatically submits to the site volunteer coordinator of the building you selected. You will receive an email confirming your application was submitted successfully. Watch for a second email that will direct you to begin volunteering or give you a link to start the necessary background check process. Southeastern Security Consultants, Inc. (SSCI) processes all background checks. It takes 4-7 business days to receive results. No charge for the volunteer. The volunteer will be notified by email following completion of the background check. If any questions, please contact Phelps Volunteer Coordinator Tim Mills at twmills@spsmail.org or 417-523-3340.
