

EQUIP LEARNERS TO BECOME LEADERS

Academies help Glendale and Hillcrest sophomores explore college and career opportunities within specialized pathways.

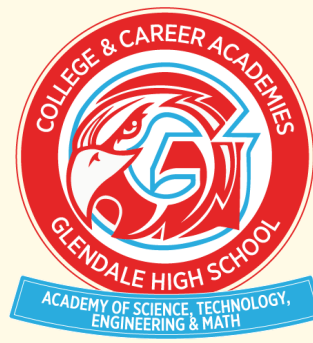

Pathways are like majors in college; students choose which to pursue!

Architecture & Design
Construction Trades
Computer Science

Legal Studies
Distribution & Logistics
Entrepreneurship

Engineering
Biomedical
Health Sciences

Teaching
Business Management
Cybersecurity

Environmental & Natural
Resource Management
Health Sciences
Engineering
Advanced Manufacturing

ACADEMY PARTNERS:

- Build awareness of industry specific needs and trends to a school community.
- Develop future talent pipelines for your company.
- Support long-term workforce and economic development for your industry in Springfield.

BUSINESS LEADERS:

- Provide internship opportunities for Academy students.
- Facilitate a Q&A with students about your industry.
- Help support work experience for students to earn industry-aligned credentials.
- Invite your peers to participate in similar Academy efforts.

SUPPORTING THE NEXT GENERATION OF TALENT
