EXECUTIVE SUMMARY BUDGET MESSAGE
2024-2025 FISCAL YEAR

The 2024-2025 budget recommendation supports the district’s mission of being committed to the well-being of each student by providing high-quality academic opportunities.

Board Policy on Budget

The information contained in this report follows the requirements of the Board of Education policy DB Annual Budget. As noted in the policy, the planning and preparation of the budget is a continuing process. The annual budget must include the following statutory requirements:

- A budget message describing the important features of the budget and major changes from the preceding year.
- Estimated revenues to be received from all sources for the fiscal year, with a comparative statement of actual or estimated revenues for the two years immediately preceding, itemized by year, fund and source.
- Proposed expenditures for each department, office and other classification for the budget year, together with a comparative statement of actual or estimated expenditures for the two years immediately preceding, itemized by year, fund, activity and object.
- The amount required for the payment of interest, amortization and redemption charges on the debt of the school district.
- A general budget summary.

Strategic Plan Alignment

On December 13, 2022, the Board of Education adopted a new five-year strategic plan. The strategic plan includes 12 objectives to support four governing priorities to address the needs of students, staff, and the community. As leaders engaged in prioritizing needs, alignment with the strategic plan was a primary requirement.

Governing Priority 1: Success-Ready Students

Objective 1.1: Demonstrate continuous growth toward mastery in all academic areas

Objective 1.2: Implement district-adopted curriculum aligned to Missouri Learning Standards

Objective 1.3: Maintain a positive classroom environment conducive to teaching and learning

Objective 1.4: Review programming to ensure equitable access to opportunity for all students

Objective 1.5: Provide high-quality professional learning for teachers and staff aligned to evidence-based best practice

Objective 1.6: Enhance real-world educational opportunities for all students

Governing Priority 2: Organizational Efficiency and Excellence

Objective 2.1: Develop a culture of effective governance

Objective 2.2: Evaluate and align administrative positions for organizational efficiency and effectiveness

Objective 2.3: Ensure long-term fiscal stability

Objective 2.4: Analyze and improve the human resources functions of the school district

Governing Priority 3: Collaborative Culture

Objective 3.1: Provide timely, clear communication, and meaningful public engagement opportunities for all stakeholders

Governing Priority 4: Quality Learning Environments

Objective 4.1: Maintain safe and quality spaces for all students and staff

2024-2025 FISCAL YEAR

Primary Budget Priorities

The budget recommendation supports the strategic plan priorities and objectives.

During the budget development process, multiple budget meetings were conducted with leaders to determine the necessary levels of financial support, and to identify areas for process improvement and operational efficiency through the development of the 2024-2025 budget. Leaders worked collaboratively to identify and prioritize needs throughout the district to support strategic priorities and objectives.

Changes occur frequently in this dynamic organization and the information represented is the most current available at this time. Budget amendments will be made throughout the year to keep the Board of Education and the public informed of changes in district revenues, expenditures and operating fund balance. The following summary highlights the important features of the budget and major changes from the preceding year.

The total anticipated revenue estimate for all funds is \$444,085,827, and the total anticipated expenditure estimate for all funds is \$521,403,135. The noted gap between revenues and expenditures is primarily due to costs associated with delivering projects supported by the 2023 Bond in the amount of \$75,000,000; revenues to support bond expenditures were received during the 2022-2023 fiscal year. The total budget includes four primary governmental funds and one non-governmental fund.

Operating Funds

Operating Funds Revenue

The total operating fund revenue includes the General and Teachers Funds combined, with Nutrition Services, Student Activity, and Launch represented within sub-funds. The total estimated operating revenues for 2024-2025 are \$358,345,419. Primary revenues include local tax, Proposition C sales tax, and State of Missouri funding including Basic Formula and Classroom Trust funds. For 2024-2025, other significant revenue sources include transportation state aid payments and virtual learning programs.

LOCAL TAX - local tax revenue provides for 42.34 percent of the operating revenue budget and is based on the assessed valuation of property within the district and the district tax levy. The operating levy for the tax year 2024 will be determined in August upon receipt of the certified assessed valuation data from Greene County. The increase over the 2023-2024 revised budget is estimated to be \$4,494,704. For 2024-2025, \$151,737,362 in local tax revenue is included in the operating budget. The tax rate hearing will be held on August 20, 2024 and necessary changes will be applied to local revenue projections through a budget amendment.

STATE BASIC FORMULA/CLASSROOM TRUST FUND – the State Basic Formula and Classroom Trust Fund operating revenue allocation of \$82,422,363 provides 23.00 percent of the operating revenue budget. Of this total, \$77,149,563 is attributed to regular ADA, and \$5,272,800 is attributed to the Missouri Course Access Program (MOCAP) ADA. The estimated increase over the current year is \$7,563,660. The Department of Elementary and Secondary Education (DESE) provides reports each month reflecting changes to the SAT and budget amendments will be presented throughout the year in response to those changes.

THE SCHOOL DISTRICT OF SPRINGFIELD R-12
EXECUTIVE SUMMARY BUDGET MESSAGE
2024-2025 FISCAL YEAR

Items impacting state aid are as follows:

State Adequacy Target (SAT): For the first time since 2019-2020, the SAT for Basic Formula and Classroom Trust Fund is increasing 6% from \$6,375 to \$6,760 per weighted average daily attendance (WADA).

Dollar Value Modifier (DVM): The DVM, an index of the relative purchasing power of a dollar providing for a cost-of-living differential, will increase in 2024-2025 from 1.031 to 1.032.

Weighting Threshold for Free and Reduced Lunch: As a part of the state aid calculation, when the number of students who qualify for free or reduced lunch exceeds a certain threshold, additional weighting is applied. In the current year, the threshold that districts must exceed before getting additional state funding is 30.95%. In 2024-2025, the threshold is dropping to 16.73%. This equates to an estimated increase of \$4.8 million in state aid.

Senate Bill 727 (SB 727): Beginning August 28, 2024, this act requires the Department of Elementary and Secondary Education (DESE) to recalculate the local effort figure of any school district that, in fiscal year 2005, recorded revenues from intangible taxes, the merchants' and manufacturers' surcharge, and payments in lieu of taxes other than tax increment financing in the district's teacher and incidental funds that caused an elevation of the district's local effort figure. This provides an additional \$5,203,704 in state aid for the district.

Average Daily Attendance (ADA): For the past two years, the Missouri Revised Statute 163.021 pandemic provision has allowed the district's state aid payments to be calculated on 2019-2020 attendance data. Fiscal year 2023-2024 was the final year for the provision to be in effect. For 2024-2025, the district's Basic Formula payments will be calculated on the greater of FY 2023, FY 2024 or an estimate of FY 2025 attendance data. For comparison, the district's FY 2020 regular term ADA was 22,276.9351. The district's regular term ADA for FY 2023 was 20,089.2477. This represents a decrease of 2,187.6874 ADA. Absent the pandemic provision the district would have seen a loss of \$14.3 million in state aid this year. While the district is projecting an increase in the ADA for FY 2024 and FY 2025, it is unlikely the attendance data will be higher than FY 2020. However, the other factors mentioned above (increase due to SAT, SB 727, Weight Threshold changes) will fill the gap felt by decrease in ADA.

PROPOSITION C – Proposition C one-cent sales tax estimate reflects an increase of \$1,174,172 due to an increase in the per WADA amount paid to districts increasing. FY24 Prop C is calculated on FY23 WADA of 23,532.8806 at \$1,474 per WADA. FY25 Prop C funding will be calculated on FY24 WADA which is estimated at 23,702.3387 and will be paid at \$1,513 per WADA. A revenue allocation of \$35,861,638 is included in the 2024-2025 budget.

TRANSPORTATION – state transportation aid is estimated to remain relatively flat for FY25. Current year transportation state aid is calculated on prior year expenditure data, so a budget amendment will occur in the fall once prior year data is finalized and the Department of Elementary and Secondary Education calculates the payment for FY25. For the third year in a row, the state budget to support transportation in public schools is fully funding the maximum 75 percent of reimbursable transportation costs. A revenue allocation of \$7,828,894 is included.

2024-2025 FISCAL YEAR

LAUNCH - changes have been incorporated into the budget to support Launch, a purpose-driven virtual course access program designed to serve Missouri students. The total Launch revenue budget estimate for the upcoming fiscal year is currently \$20,002,501. A revenue change is projected due to the reduction of the Launch Missouri’s Workforce state funding and an increase in Missouri Course Access Program (MOCAP) state formula funding, which results in a net revenue decrease of \$679,956.

ESSER III - The American Rescue Plan (ARP) Act (ESSER III) deadline for obligating and claiming funds is September 30, 2024; 2023-2024 is the final year for COVID-19 stimulus funds. An operating revenue reduction of \$30,308,806 is included.

Operating Funds Expenditures

Operating funds expenditures include the General and Teachers Funds combined, with Nutrition Services, Student Activity, and Launch represented within sub-funds. The total estimated operating expenditures for 2024-2025 are \$362,128,948. The operating budget provides support for student needs, allocations for salary and benefits, staff recommendations, and operating reductions, and the following highlights primary changes aligning with the strategic plan:

Governing Priority 1: Success-Ready Students

Additional staffing increases to support Governing Priority 1: Success-Ready Students include the following:

CURRICULUM FOR BUSINESS AND MARKETING – \$79,137 to support curriculum adoption for business and marketing.

CHOICE PROGRAMS: FLY SPS – \$173,270 allocation for supplies and flight hours to support Cohort 1 students and the first semester of flight hours for Cohort 2 students

OZARKS TECHNICAL COLLEGE TUITION – increase of \$338,850 due to increased tuition rates and student participation across the Career Center, Middle College, Fly SPS, and the Alliance for Healthcare Education.

STUDENT ATHLETICS AND ACTIVITIES – reduction of \$250,000 due to revised qualifications for student participation in district sponsored national competition travel and related expenses. An allocation of \$250,000 will remain.

LAUNCH VIRTUAL COURSE ACCESS – Expenditure changes include an increase related primarily to salary and benefits in the amount of \$1,528,860, resulting in an expenditure budget of \$16,620,744. The changes include retaining a 10 percent restricted operating fund balance of \$1,709,166.

Dedicated Support in the 2024-2025 Budget for Strategic Plan Priority 1: Success Ready Students

Objective 1.3: Maintain a positive classroom environment conducive to teaching and learning

The following allocations support the district’s ongoing strategic work related to student behavior management and the implementation of consistent discipline at every school. Resources include additional staffing, curriculum and training to ensure the alignment of efforts districtwide.

Dedicated Support	Supporting Narrative	FTE Impact	Fiscal Impact
FOCUS ROOM STAFF	Every elementary campus will have a staffed Focus Room (paraprofessional or behavior interventionist). Outlined originally in May 2023 Board Education Retreat. Determination made to keep these positions during ESSER review process.	29	1,174,437
BEHAVIOR INTERVENTIONIST STAFF	Every K-8 and middle school will have a Focus Room staffed by a certified Behavior Interventionist. Outlined originally in May 2023 Board Education Retreat. Determination was made to keep these positions during ESSER review process.	10	738,679
IMPACT CLASSROOM STAFF	Self-contained classroom at middle school for students with significant behaviors that have led to suspension or exclusionary discipline. Students served in IMPACT classrooms receive smaller class size, personalized behavior plans, monitoring, teach and reteach of missing academic and behavior skills with a gradual release back into general education after demonstration of mastery on behavioral goals.	5	202,489
TRANSITIONAL KINDERGARTEN	Placement offering for incoming Kindergartners that will assist with early identification, layered learning and behavior support to overcome gaps. Pilot programming at McGregor Elementary.	1	67,785

Governing Priority 2: Organizational Efficiency and Excellence

SALARY AND BENEFITS - An increase of \$12.2 million for salary and benefits of existing staff is included to support collective bargaining negotiations and other recommendations for employees not represented by a union. During the June 25, 2024, Board of Education meeting specific, information regarding collective bargaining agreement recommendations and the full salary schedule recommendation will be provided.

HEALTH PLAN BENEFIT - Work continues with the district's benefits broker to finalize the health plan renewal for the calendar year 2025. Currently, a 3 percent premium increase is anticipated to help ensure the stability of the self-insurance fund and cover increase in utilization. An increase of \$758,100 is included in the 2024-2025 budget. Plan design and rates will be provided by October 1, 2024.

Governing Priority 4: Quality Learning Environments

UTILITIES – an increase of \$904,512 due to project rate increases.

INSURANCE INCREASES – an increase of \$197,795 for property and liability insurance and retention programs to accommodate an increase in premiums costs. The premium increase is due to property insurance market conditions and property value increases.

Operating Expenditure Reductions 2024-2025

While student enrollment and attendance continued to increase in 2023-2024, the average daily attendance continues to be lower than 2019-2020, which is the number that the district's state aid has been calculated on for the last several years. In addition, the end of the federal stimulus funds related to COVID-19 will result in revenue reductions. To remain fiscally stable, provide competitive salary and benefit increases and maintain some positions that were previously funded through federal stimulus funds, the operating fund will experience a reduction of approximately \$15 million for 2024-2025.

Areas being reduced are as follows:

FEDERAL STIMULUS FUNDED POSITIONS – federal stimulus funds (ESSER) were utilized to provide over 180 temporary instructional and support of instruction positions. As the end of the ESSER funds approaches, 122.4 full-time equivalent (FTE) have been reduced for 2024-2025 which equates to an estimated \$7,396,338 reduction in salary and benefit expenditures.

Approximately 60 positions previously paid for with ESSER funds are being retained for 2024-2025, with a fiscal note of an estimated \$4,577,100. Some of these positions will shift to being funded with Title funds and others will be supported by local funds. Most of these positions are direct classroom support positions.

ROBBERSON ELEMENTARY SCHOOL – in January 2024, the Board of Education approved the closure of Robberson Elementary School at the end of the 2023-2024 school year. The Board's action combines the Robberson and Boyd attendance areas with all students attending the newly constructed Boyd campus, completed in 2021, only 1.5 miles from Robberson. Robberson staff were given the opportunity to transfer to Boyd Elementary or fill a vacant position elsewhere in the district. The closure of Robberson results in an operating reduction of \$443,334 and approximately 9.86 FTE.

THE SCHOOL DISTRICT OF SPRINGFIELD R-12
EXECUTIVE SUMMARY BUDGET MESSAGE
2024-2025 FISCAL YEAR

OPERATIONAL POSITIONS – a reduction of 7.00 FTE due to a review of department processes and structures resulting in a reduction of \$551,967 in salary and benefits. Positions were eliminated through attrition.

ADMINISTRATIVE POSITIONS – a reduction of 3.00 FTE due to a review of organizational structure resulting in a reduction of \$468,892 in salary and benefits. Positions were eliminated through attrition.

ELEMENTARY POSITIONS – a portion of the federal stimulus funds were utilized to ensure staffing stability as the effects of COVID-19 impacted enrollment and attendance. Elementary enrollments continue to remain under the 2019-2020 enrollment levels. In 2019-2020, K-5 enrollment was 11,261. In 2023-2024, K-5 enrollment was 10,638, or 623 less than 2019-2020. As a result, the elementary staffing levels are being adjusted and, through attrition, reduced by 23 FTE resulting in a salary and benefit reduction of \$1,377,182.

SHINE BEFORE AND AFTER SCHOOL PROGRAMMING – federal stimulus funds (ESSER) were utilized to provide before and after school services and programming with community partners. While community partners will continue to provide before and after school programming, the structure will return to a parent/guardian-paid model like was in place prior, resulting in a reduction of \$2,585,191 in operating expenditures.

MENTAL HEALTH SUPPORTS (SOCIAL WORKERS) – federal stimulus funds (ESSER) were utilized to provide mental health support to students through a partnership for contracted social workers. Partners are searching for other avenues for funding as the federal stimulus dollars from the district are no longer available. This results in a reduction of \$1,376,562.

GENERAL HEALTH SUPPORTS – federal stimulus funds (ESSER) were utilized to provide general health supports to students through a partnership for a general health mobile unit. Partners are continuing the services of the mobile unit, but funding will no longer be provided by the district. This results in a reduction of \$150,000.

SYSTEM-WIDE PURCHASED SERVICES AND SUPPLY REDUCTION – a system-wide operating budget reduction of \$748,369 for non-federal, non-revenue supported expenditures to meet the overall operating fund reduction of approximately \$15 million.

Debt Service Fund

The total estimated revenue budget is \$37,393,870. The local tax revenue allocation of \$34,676,099 represents the primary revenue source to support debt service obligations. Local tax revenue is based on the assessed valuation of property within the district and the district tax levy. Assessed valuation data for the 2024 tax year will be provided in August, and the debt service levy for 2024 will be determined in August upon receipt of the certified assessed valuation data. The debt service levy is set based on the required revenue necessary to pay the principal, interest, and fees of bond issues approved by voters. The levy used in the 2024-2025 revenue calculation is 73 cents.

The debt service expenditure budget includes \$35,515,900 for principal, interest, and fee payments for all bond issues approved by patrons.

THE SCHOOL DISTRICT OF SPRINGFIELD R-12
EXECUTIVE SUMMARY BUDGET MESSAGE
2024-2025 FISCAL YEAR

Capital Fund

The total estimated revenue budget is \$9,596,538. Revenue sources for capital expenditures include the fund balance carried forward from the prior year, transfers from the Operating Fund as provided by DESE, and certain revenues that may be directly receipted including interest income and merchants and manufactures tax. Expenditures include furniture, fixtures, and equipment, lease purchase payments, technology purchases and improvements, and land, building, and major improvements not funded by bond funds. The total capital fund expenditures for categories including equipment, school buses, roofing repairs, heating-ventilation-air-conditioning, other site improvements, and technology lease payments is \$15,458,287. Any projects approved but not completed during the fiscal year will be carried forward to next year and budget amendments will be brought to the Board of Education as necessary.

Capital Projects Investment Fund

Currently, there is no budget allocation for the Capital Projects Investment Fund. The balance in this fund will be used to support future capital expenditures as necessary.

2023 Bond Fund

In April 2023, the voters approved a bond issue providing \$220 million in funds to deliver high-priority safety and facility improvement projects. In June 2023, \$190 million in bonds were sold, leaving a remaining \$30 million to be sold at a future date. An estimated revenue budget of \$5,000,000 is included for interest income on the bond proceeds. An expenditure budget of \$75,000,000 is included for expenses based on the estimated project drawdown schedule.

Non-Governmental Funds – Health Benefit Trust Fund (HBT)

A budget allocation of \$33,750,000 for revenues and \$33,300,000 for expenditures for the HBT Fund are included. Currently, a 3 percent increase in premium is estimated, as well as an increase in plan utilization. Plan design and rates will be provided by October 1, 2024. Insurance rates for both employee-only coverage funded by the district and the dependent coverage funded by the employees and participating retirees are analyzed annually to determine if additional adjustments are necessary to reflect utilization experiences and to continue financial sustainability.

Presentations and Ongoing Updates

Budget presentations are provided to the Board of Education during board meetings prior to the presentation of the budget recommendation and delivery of the final budget document during the June study session. Continual emphasis is placed on the collaborative effort of stakeholders in identifying prioritized needs in the system, the alignment to the strategic plan, and that the budget document is ever-changing resulting in updates being provided regularly through budget amendments during the fiscal year. Administration commits to informing the Board of Education, staff, and public of significant changes as new information is obtained while ensuring recommendations for adjustments support district students to the best of our ability.

NOTES:

2010A-2010E Series were issued to finance construction projects including air conditioning at 12 sites, stadium lighting at 3 sites, building additions/renovations at various sites, and tornado safe rooms at Hillcrest, Westport, and Jeffries.

The bonds bear interest rates ranging from 5.2% to 5.66%. These bonds are also eligible to receive interest subsidy payments from the U.S. Treasury.

Series 2010A, 2010B, 2010D, 2010E, and 2015 PIF in FY20 due to Series 2017 Refunding Bonds.

2014B Series was issued to refund the 2006 Series.

The bonds bear interest rates ranging from 1.5% to 5%.

2017 Series was issued to refund the 2010A, 2010B, 2010D, 2010E, 2013, and 2014A Series.

The bonds bear interest rates ranging from 1.85% to 2.95%.

2019 Series was issued to finance 39 high priority projects including renovations, expansion, and/or new construction for six schools and the creation of safer entrances at 31 schools.

The bonds bear interest rates ranging from 3% to 5%.

2020 Series was issued to refund the 2011 Series and issue the remaining \$20,000,000 in general obligation bonds authorized by voters on April 2, 2019.

The bonds bear interest rates ranging from 1.75% to 3%.

2023 Series was for the purpose of constructing, improving, extending, repairing, rebuilding, renovating, acquiring, furnishing and equipping new and existing school facilities and purchasing land therefor, including (a) safety and security upgrades at all school facilities, (b) constructing a new Pipkin Middle School and a new Reed Middle School, (c) renovating Pershing School, and (d) constructing storm shelters at the following elementary schools: Cowden, Holland, Mann, Pittman, Watkins, and Wilder

The bonds bear interest rates ranging from 4% to 5%.
