

THE ACE SHOW

One-of-a-kind video series featuring Ace, Student Nutrition's Elementary School dining mascot. ACE teaches kids the importance of healthy habits through easy-to-understand video content.

There is a collection of 8 short videos with supporting materials that can be used in the classroom to show the importance of healthy habits.

WHAT

8 ACE Show video links, each highlighting a health and wellbeing topic. Each video is approximately 6 minutes and designed to keep a young students attention span. Supporting one-page lesson plans and certificates of achievement for each student.

WHO

Designed for students in first, second and third grade or ages 6-9.

WHERE

Video should be shown in a classroom or during a special class such as gym. Ideally incorporated into a lesson plan or as a learning activity per classroom.

WHEN

The videos do not need to be shown in order. Frequency would be determined by the principal/teacher. Ideally, once a month or bi-monthly.
