

GHS Lady Falcon
Middle School
2021 Summer Schedule

**Currently we do not have gym facility calendars completed to know exact dates of the open gym offerings for this summer. We are tentatively going to host open gyms two days a week for the month of June that will be conducted by my staff and former players. The cost will be \$5 per each session (pay as you attend) and sessions will be one hour each of those days.

Please fill out this form so that we can have this information and submit it in Remind by taking a picture of it. Remind is our system of communication and information below will assist you in getting in our Remind Class.
