Daily Attendance

We know it is sometimes necessary for a student to be absent from school. Parents are requested, on those occasions, to inform the office by phone prior to 10:00 a.m. of their child's absence. You can call the school at **523-2301**, or email amlitchy@spsmail.org. Students should ask teachers for makeup work when they return to school. If the student is absent for three or more days, you may request homework by calling the school office or emailing the teachers. Students who arrive at school after 9:00 a.m. are considered "tardy" and should report to the office. Note: All absences (except those which are school related) do count against the student's attendance.

Bus Transportation

If you have questions concerning buses or bus routes, please call the Transportation Office at 523-0500.

For information on bus delays, click [here](#).

At this time, students will not be allowed to ride the bus home with other students.

Please do not have balloons or glass flower vases delivered to the school. Students may not take these items on the bus.

Cell Phones

At 9:00 a.m. (when school begins), cell phones must be powered off and in the student's backpack until the end of the school day.

Pleasant View Communications

- **Pleasant View Website:** Check out the Pleasant View website at sps.org/pleasantview. This is a great place to get valuable and timely information throughout the school year.
- **Connect 5:** Connect 5 is our automated phone messaging system we use throughout the year to get important information out to all students and parents/guardians. Please make sure to update this information in the Home Access Center so you can receive timely and important messages from the school.
- **Email Blasts:** We would like to send you other important information via an email blast. In order for you to receive these emails, we need your current email address. Please make sure that information is updated in the Home Access Center.
- **Twitter:** @PViewSPS
- **Facebook:** Pleasant View
- **Instagram:** pv_k8school
- To minimize classroom interruptions and to assure that your student gets your message we request that you

do not call the school office to leave a message for your student after **3:00 p.m.** After that time we cannot guarantee that the message can be delivered.

Early Check-Out of Students

The following procedure for early check-out/pick-up of students will be **strictly enforced** to ensure the safety and security of your child:

- The parent/guardian must first enter the school through the front doors into our entryway.
- The parent/guardian will communicate with the office staff via the intercom system (Any other individual representing the parent must be cleared by the parent through the Pleasant View Office in writing).
- The parent/guardian or designee must sign the student out in an early dismissal log.
- Any visitor entering the building **must show the office staff a photo I.D.**
- The office will notify the teacher and the student will be released to leave the building.
- Early check-outs do count against a student's attendance.

Home Access Center

Through this portal, you can check your student's grades, discipline, attendance and demographic information. **Please update your student's demographic information prior to August 17.** Please keep in mind if you are changing an address, you will need to provide the school with proof of residency. If any of this information should change throughout the year, please make all updates using the Home Access Center (HAC) and notify the school office.

The username and password assigned to you will carry over from year to year until your student graduates from high school.

Quarterly progress reports and grade cards will not be printed and sent home with students. Instead, parents/guardians can access those reports in the Home Access Center.

To access the Home Access Center web page, go to the district's website: sps.org and click on "Home Access Center" in the list of Quick Links.

*If you have forgotten your user name and/or password, on the login screen, you can select the "Forgot My User Name or Password." An email will then be sent to you (the parent/guardian), from an account named "DoNotReply." That email will contain a link which will allow you to assign/reset your password. You will then enter either a User Name or Email Address. NOTE: If email address is selected, you will need to match the email address currently on file with the school.

**If you need to create a new Home Access Center account, on the login screen you can select the "Click Here to Register for HAC." Enter your name, city, zip and click the "Register" button. The system updates hourly. You will receive an email at the email address the school has on file for you with the instructions to complete your HAC account registration.

Medication

Prescription and non-prescription medication to be taken at school shall be **delivered and picked up by a parent/guardian**. Medication must be in the current prescription bottle or original container. A medication permit and administration form must be completed and signed by a parent/guardian. The first dose of any medicine will not be given at school. Over-the-counter medications may be given at school for a period of (3) three days with a permission form signed by a parent/guardian and must be in the original container. Administration for more than (3) three days requires a written standing order from a doctor or authorized prescriber for the individual student, which can be faxed to the school. Over the counter medication such as Tylenol cannot be carried by students and should follow the same policy as stated above. Any remaining medication must be picked up by a parent or designated adult within one week after the final date on the medication form or by the end of the last day of school. Medication will not be sent home with students. Please call the week before school starts to set up an appointment to drop off medication for the school year. The first day of school is not the best time to do this and would be more beneficial for the nurse and student to have this done the week prior.

If your child needs to take medication at school or has any special health concerns, please do not hesitate to contact me or stop by the Health Office. My goal is to keep students at school, as safe as possible, so they can be healthy and effective learners, while promoting independence with self-care and healthy habits.

If you are unsure if you should send your child to school or not, call me and I can help you decide.

Medication: If possible, medications should be given at home. If medicine (prescription or over the counter) is needed to be given during the school day, an **adult** is required to bring the medicine to the health room, complete the form(s), and visit with the nurse. *Over the Counter Medication* (Tylenol/Ibuprofen/ etc.) a physician's note is REQUIRED after the 3rd dose.
