

**Central International Baccalaureate Association
2019-2020 Membership Form**

CIBA is a not-for-profit booster organization consisting of parents of Pre-Diploma and IB Diploma or Career Program students in grades 9-12. CIBA members are parents just like you who want to play a role in the success of the CHS IB Program. Membership dues fund CIBA events, CIBA operating expenses, and provide a significant contribution to the IB senior banquet so that IB seniors and their teachers can attend for free. Your financial contribution and participation keeps this organization vital and active! Please join at the membership level you can afford.

Go to this link and join online or fill out the form below
