

# BULLDOG FISHING

Central High School will be participating in the Missouri State High School Activities Association (MSHSAA) emerging activity, bass fishing. This amateur program is designed to introduce youth to the world of competitive tournament angling. Our goals are to teach and commit to advance angling techniques, practices and strategies.

Because bass fishing is a MSHSAA emerging activity, our fledgling club DOES NOT have funding at this time. We are currently looking for sponsorship to help provide team members the following supplies. If you are interested in providing one or more of the items listed below, please complete the Sponsorship Form and return it to a Central bass fishing team member. Or swing it by the school, to Coach Marshall.

## **SUPPLIES NEEDED:**

- \*Discounts to purchase fishing gear
