EVERYONE is invited to Join Now!

Central PTSA represents both the High School & Scholar Middle School. PTSA advocates on behalf of all Central students. PTSA offers ways for parents and students to be involved without any pressure. Not every teacher has a booster club, but PTSA makes sure that every teacher and staff member is shown appreciation and PTSA is a place where parents and teachers work together for student success. Every student is welcome to join as a full member with voting rights and opportunities to gain advocacy, leadership or volunteer experience! Senior students members also qualify to apply for a PTSA Scholarship!

In 2018-2019, PTSA expanded our efforts to help Central and also organized a **Capital Fund Campaign**, collected \$6,250, surveyed our Bulldog community to know priorities, and after a membership vote, applied the funds to two projects: **Central Library Collaboration Stations** and **Central Commons Audio/Visual System Upgrades**.

EVERYONE is invited to join - numbers do count! As we work for Central, every membership helps.

**** Grandparents, alumni, mid-town neighbors, parents, students, staff & businesses are all welcome!**
