WHAT IS MISSOURI STATE DUAL CREDIT?

Gain a head start on your future when you take college-level courses at your high school. Missouri State's Dual Credit program allows you to earn high school and college credit at the same time.

WHY ENROLL IN DUAL CREDIT?

Save on tuition

Dual credit courses cost \$70 per credit hour—60% less than the regular credit hour tuition rate. Plus, there are no textbooks to buy and no supplemental course fees. Most dual credit courses are three credit hours. The total cost for most dual credit classes is \$210. The same seated class on campus would cost \$735 before the added cost of textbooks and fees.

Get a jump start on college

Dual credit courses are college courses. As a dual credit student, you will build a college transcript. Dual Credit courses get you closer to earning your MSU degree.

Prepare for college

Challenging coursework can help you prepare for your first year in college.

Earn a \$1,000 scholarship

Missouri State provides the Missouri State Advantage Scholarship to qualifying MSU dual credit students who choose to continue their education at MSU.
