

Standards of Excellence to Obtain a Departmental Seal of Excellence

*Effective for Graduating Class of 2019
Springfield Public Schools - Springfield, Missouri*

All students completing the graduation requirements for the Springfield Public Schools will receive a diploma; however, those students who demonstrate achievement of the standards of excellence in identified subject areas will have a “Seal of Excellence” included with their diploma. This Seal will designate the subject area or areas in which excellence has been achieved. The appropriate department at each high school will approve a student receiving a “Seal of Excellence”.

A student will be eligible for a “Seal of Excellence” upon (1) Submission of application to the appropriate department; (2) Verification by the department that all subject area standards of excellence have been completed; and (3) Recommendation by the department that a “Seal of Excellence” be awarded.
