# Using Canvas

## Accessing Canvas at Home

1.	Go	to	Canvas:
1.	GO	το	Canvas:

On a SPS Chromebook if you open up Google Chrome there is a folder in the top left corner with a link to Canvas.

Go here if using your own computer: https://springfieldpublicschools.instructure.com/login/canvas

2. Enter child's student ID Number (Lunch Number)

Example: 123456

Enter password (first and last initial, both lowercase, followed by ID number 3.

Example: md123456

## Getting Around on Canvas

- 1. The Dashboard is what should pop up after logging into Canvas.
- Any Canvas courses your child is enrolled in should be here. 2. On rare occasions you need to click on the Courses button to locate these.
- 3. Classroom and Specialty Teachers might have courses students can access on the dashboard.
- To get to **Dreambox** and **Lexia** click on the 'Virtual Library' button. 4.
- Clicking on this button will take you to the Virtual Library, to get to 5. Dreambox and Lexia you will then click on the 'Online Locker' button.
- 6. SPS at Home Lessons Tab

### **SPS At Home Lessons**

### Everything in this section needed for at home learning will be mailed to your home.

There is a new tab called SPS at Home Lessons in the Virtual Library. This is where children and parents can view daily lessons. It has a suggested daily schedule, a workbook, tabs to click per grade level, parent directions with help links, and sign in information.

After clicking on the tab, just pick the grade level.
