TEAM DISNEY Update ~

Our mission is to educate for life, so every child acquires the knowledge and skills to succeed in school and beyond

February 28, 2019
TEAM DISNEY:

- Parents! We need your help in getting your child(ren) to school on time every day. Please allow enough time in car line, especially on inclement weather days or holidays. Being tardy to school negatively impacts learning, as students miss valuable class time instruction. They also miss out on important social learning with their classmates and teachers when they first arrive. Your help in providing your child(ren) the best possible start to each day is appreciated. Thank you! ☺
- If your child is late to school for any reason, or returning to school from an appointment, a parent/guardian needs to walk them into the school and check them in. Thank you!
- We welcome you to occasionally come to Disney and have lunch with your child(ren). However, we respectfully request that you not bring your child(ren) soda to drink. Thank you for your help!

Please plan vacations with the knowledge that make-up snow days (up to six) are added to the end of the school calendar. At this time, our last day of school is scheduled for Tuesday, May 21, 2019.

Explore! - A variety of options are offered that give you flexibility to plan around your family's schedule. There will be two sessions offered, and Disney is once again an Explore site. Explore will offer summer learning at Springfield Public Schools, relevant to children's unique interests and passions. More information is available in the Disney office and/or online at
