

~ TEAM DISNEY Update ~

Our mission is to educate for life, so every child acquires the knowledge and skills to succeed in school and beyond.

TEAM DISNEY:

It is always inspiring to have such a huge turn-out at Open House. We love partnering with our parents! Please continue to reach out to your child's teacher, if needed, so those all important communication lines can be kept open.

We need your help with the following situations:

- First, being at school on time is crucial for your child's best success. To date, we have 206 tardies, 101 by the end of August (and we began August 16)! Ouch! Kids set habits for life now, so please help your child set great ones! In short, **protect** your child from this downfall for life.
- Second, parking lots of our area businesses and residential side streets need to be clear during drop-off and pick-up to alleviate congestion. Please utilize the Disney parking lots only, and help us to be courteous to our neighbors!

Tuesday, October 2 is McTeacher's Night at McDonald's Kingsley location from 4:00 p.m. to 8:00 p.m. Please come enjoy the fun environment as Disney staff help serve you—and, a portion of the night's proceeds go to support our school! It's a great time for positive interaction, and kids love seeing teachers and staff 'lovin' it' at McDonald's! ☺

If you need to make changes in how your child goes home at the end of the day, or need to request homework in your child's absence, it will help tremendously if you can call as early in the day as possible, but always before 3:00 p.m. to ensure that communication can be given to your child(ren). However, it is best if you can avoid making pick-up changes if at all possible, because it is confusing for your child(ren). Thanks!

Parent-Teacher conference times will last two weeks again this year, beginning the week of October 22. Late night conferences will be Tuesday, October 30. If you need a reminder of your date and/or time, please let us know. If you have not scheduled a time yet, **please do so!!** When you are in the building for your conference(s), take a minute to notice the tremendous student work on the walls!

Please continue to cut, save, and bring your Box Tops to school. They convert to much-needed cash for school supplies. The next collection date is October 19.
